

Our Mission: To provide children with a loving, fun and safe Christian based environment where they can learn and Grow.

“One of the easiest choices to make was to enroll our daughter in KDO. The staff is so warm and inviting. Our daughter loves her time at school. The activities and curriculum have paid dividends in our daughters’ development. We have also enjoyed the daily progress reports and seeing the activities that are sent home each day. We’ve seen so much growth in our daughters’ education, confidence, faith and understanding of Jesus. We feel so blessed to have been involved with a group that cares so much about the children and their development.: Neysa Gonzales

“We are so thankful to have found KDO. Our little one has really blossomed while attending. The small class sizes and family environment make it so enjoyable. It makes it so easy to send him and trust our baby is safe and happy at “school”. All the activities and communication we receive from teachers and director make us feel so comfortable and involved. We can’t wait until little brother is old enough to attend.”
